Procedure number

Vhv 087_25 UFZ ID944

Tender deadline:

Monday, 07 July 2025 10:00 a.m.

Invitation to tender

Procedure: Verhandlungsvergabe (Vhv)

Brief description:

The Helmholtz Centre for Environmental Research requires a lung function measuring device to determine lung resistance and lung compliance in anaesthetized mice. The device should also be able to expose the mice to aerosols and measure their blood pressure.

Dear Sir or Madam,

Please find enclosed the award documents for the aforementioned service. All other details can be found in the attached documents.

NOTE: Please do not send or upload any incomplete documents.

Please note that the following documents, which may need to be completed, are part of the specifications and will become part of the contract accordingly:

- ° 03_02_Aufforderung zur Angebotsabgabe / Invitation to Tender Vhv 087_25 UFZ ID944
- ° 03_03_entry sheet for reviewing minimum criteria Vhv 087_25 UFZ ID944.pdf
- ° 03_04_entry sheet to award procedure Vhv 087_25 UFZ ID944.pdf
- ° 03_05_entry sheet customs information Vhv 087_25 UFZ ID944.pdf
- ° 03_06_self-declaration of bidder Vhv 087_25 UFZ ID944.pdf
- ° 03_07_sales agreement Vhv 087_25 UFZ ID944.pdf
- ° 03_08_General Conditions of Purchase of the UFZ (AEB UFZ_05_2022) Vhv 087_25 UFZ ID944.pdf

Yours faithfully,

i.A. Nadine Parchwitz
